4. Business Arising

4.1 Presentation: MELS-MSSS Entente

Dora Cesta, Irene Miller and Tania Piperni from Student Services presented the members with the MELS-MSSS Entente.(see attached presentation)

The chair asked if it could be brought up at an agence meeting to have consultations with the ACSES committees from the various Boards, seeing that the committees are parents and are aware of the situations that affect the parents.
Dora Cesta will bring this to the next meeting.

4.2 Special Needs Database

A concern was raised as to the missing information in the database on John Grant and L.I.N.K.S. Brigida Sellato will speak to Wendy Singer regarding the information.

4.3 Palatucci Letter- Update

Liz Arnot shared some of the numbers that she received from Lew Lewis. The letter will be revised.

4.4 Workshops

Concerns over how parents are notified about the workshops offered. Lew Lewis is looking into the different ways that parents can be notified, either through mass calling system, emails or websites. He is also looking into why there is low turn out for the evenings.

It was suggested to perhaps give a flyer with upcoming events to the parent with the IEP. It was also suggested that perhaps parents cannot find sitters in the evening, therefore a daytime workshop might be better attended.

4.5 Policy on the Maintenance or Closure of Schools/Centres

The chair notified the members that the recommendation to allow ACSES the right to present their brief was accepted by Council.

Isabelle Baas Left at 9:09 pm

4.6 Busing Update

Lew Lewis and Luc Harvey are looking into the situation and are aware of the constant issues with the bussing.

The chair would like to look at the transportation policy at the next meeting as long bus rides are a constant issue.

4.7 Transitional Fair - Update

St. Pius X was very spacious for the event and there was a lot of room to move around. There were 20 tables less than last year, perhaps it was the location in the east end. Galileo Adult Centre was not represented at the fair.

5. New Business
