Re: HALLOWEEN ACTIVITIES

Dear Parents,

On Friday, October 29, 2021 we will be celebrating Halloween. Each class will have the opportunity to visit our traditional haunted house throughout the course of the day. Please note that Friday, October 29, 2021 will be a non-color code day. Students have the option of wearing a costume on that day however, we ask that they come to school already dressed up in their costume. In planning for this day, please take the time to help your child select a costume that is safe as well as age appropriate in a school setting. Faces may be disguised with make-up however, the following accessories are **not permitted:** halloween masks, plastic weapons, sharp objects or any item that may be deemed unsafe.

Please note that students, as per Sante Publique regulations, must still wear their procedural masks as usual on that day.

Our Home & School Association will be providing treats to all of our students. If you **do not** want your child to receive treats, please advise the homeroom teacher in writing and also mention it to your child. Due to the current sanitary conditions, we will not allow students to bring and distribute treats to other students.

Thank you for your collaboration in this matter.

We wish all of our students an exciting and safe Halloween!

Kind Regards,

S. Rebelo
Principal
East Hill Elementary School
