Re: PICTURE DAY

Dear Parents,

Green Apple Studios will be at East Hill Elementary School on Thursday, September 30, 2021 to take the academic file pictures of our students.
We kindly ask that parents strictly respect the color code. Students must wear a white top (preferably a polo) and blue pants, skirts and or tunics. Furthermore, students should come appropriately prepared for the photo session.

We strongly recommend that your child be present on this day as retakes may only take place at Green Apple Studios.

Please note that due to current situation regarding Covid-19, the photographer has informed us that they will not be able to take group and sibling pictures. However, the photographer will produce a class montage for the students.

Kind Regards,

S. Rebelo
Principal
East Hill Elementary School
