

Making a positive difference

YEAR AT A GLANCE

OVER THE PAST YEAR, Canadore College has been actively making a difference in the lives of our students, staff, and faculty.

Over 300 students are assisted by donor supported awards and bursaries annually and to date we have awarded \$203,065 to students strictly from donations. The overall accomplishments of Canadore would not have been possible without your unwavering devotion and commitment, and for that we could not be more grateful.

We are reaching out to you today to provide you with College updates and stories. It has truly been a year of growth and development for the College and we are excited to announce all the great things we have accomplished.

“Our shared desire to lead and support Canada’s First Peoples and non-indigenous Canadians through its healing and reconciliation, we will work to ensure that all perspectives and traditions take their rightful place.” -George Burton, President and CEO of Canadore College

EQUIPMENT

Canadore College continues to focus on new ways to provide students with relevant, hands-on education, which they are able to use to successfully transition into the workplace.

We are sincerely grateful for those who invest in the futures of our students and the programs offered by Canadore. This year we have received a variety of equipment donations which has truly made a real difference in the lives of students now, and will continue to impact learning at the College for years to come.

To learn more about recent equipment donations at Canadore College or ways to give, contact Kim Devine at 705.474.7600 ext 5150 or kim.devine@canadorecollege.ca

CANADORE COLLEGE FLYING HIGH WITH DONATION FROM KF AEROSPACE

Canadore College formally accepted the donation of a Boeing 727-200 aircraft from KF Aerospace late last year.

“This is the first heavy aircraft of its kind here at Canadore College,” said George Burton, President and CEO of Canadore College. “This heavy aircraft is in serviceable condition, giving our students a remarkable opportunity to work on a training aid that functions as it would in service.”

The aircraft was recently appraised at a value of \$795,000 and Canadore College created a purpose-built parking pad adjacent to its hangar for permanent placement of the training aid.

“The Village is a place for all people, a place where people are supported and have the chance to share wisdom and experiences” -Judy Sharpe, Co-Chair, The Village

A LOOK AT WHAT'S TO COME

THE VILLAGE FUNDRAISING CAMPAIGN

Canadore College has begun building a unique multigenerational academic and living facility on campus. The facility will be the first of its kind in Canada. The innovative educational community will integrate Indigenous, Eastern, Western healing and wellness practices by carrying out class-leading interprofessional education.

Visit canadorecollege.ca/village for more information.

To learn more about the Village or to give, contact the **Canadore Foundation** by contacting bradley.gavan@canadorecollege.ca or carrie.dokis@canadorecollege.ca.

ME TO WE

Canadore College and Canadore Students' Council have paired with the global innovation social enterprise ME to WE to offer students and employees a dynamic leadership program, building community through leadership. The program, to be delivered at Canadore, will help participants improve leadership skills, learn about social issues, develop a deeper understanding of Indigenous Communities and gain confidence to engage peers in leadership activities.

The leadership program entails eight days of intensive program delivery facilitated by ME to WE staff and translates into student action plans to be carried out on campus and in community. The initial program has been offered to students at Canadore this fall.

THANK YOU TO OUR DONORS

Jaymes Vincent – Aviation Technician – Aircraft Maintenance

"Thank you so much for this scholarship. Your kindness and support of Canadore College is greatly appreciated. Thank you for making a difference in my academic school year."

It is an exciting time here at Canadore College and we are always happy to share our stories with you, for more information or ways to support Canadore College please contact:
