End of school year wishes:

What a wonderful year it has been! It's unbelievable to think the end of another school year is here. We've journeyed through an incredible year of activities, events, creating memories and experiences together. I would like to take this time to say THANK YOU for such an amazing year. The support of parents is very much appreciated in partnering with us to develop an extraordinary program. We laughed, we sang, we danced, we explored, we created, we grew! I'm grateful to have been given an opportunity to spend another year with your child(ren).

Go now and enjoy your summer. Spend wonderful times together. I can't wait to see and hear of all the amazing things they will do this summer. Have a safe, enjoyable, and restful summer.

Mr. Marco
