Dear Parent/Guardian,

The Ministère de l'Éducation du Québec (MEQ), has increased the Daycare fees for regular users by the consumer price index (Québec) effective July 1, 2024.

The regular daycare fee has increased from \$9.20 to \$9.50 per day for students who are registered on a regular basis at any of the EMSB government-subsidized daycares.

The Definition for Regular Students has been modified to include students who are registered and attend daycare on a fixed schedule for one or two days.

The Daycare fee structure is based on the student's status in daycare. A student's status is designated as Regular, Sporadic or Occasional. Please refer to the tables below.
