Dear Parents, Guardians & Students,

We would like to take this opportunity to thank you for your patience and support during this unprecedented year. We have witnessed resilience and strength from our teachers and staff but most importantly from our parent and student community. Thank you for having navigated these uncharted waters with us, solidifying our partnership in raising well rounded individuals.

The pandemic came into our lives and changed the way we work and live, completely immersing us in the technological world. We hope you take this time to disconnect from all devices and spend time making precious memories with your loved ones. We know the entire Roslyn staff looks forward to doing the same thing.

Please see all other attachments for important information about the report-cards for the 2019-2020 school year. Note that report cards will be available online through the Mozaik Portal no later than July 10.

We will be back in school as of August 25th. Note that student start date is August 31st.

Have a happy and safe summer,

Sincerely,

Joanna Genovezos
Principal

Laura Fundaro
Vice-Principal
