Principal's Message

Upcoming Events

Dear Parents/Guardians,

As we approach Remembrance Day, I want to take a moment to express my gratitude for the brave soldiers who have fought and represented our country. Their sacrifices are a testament to the strength and resilience of our nation.

Let us strive to instill the values of peace and understanding in our children. It is essential that we remember those we lost, honouring their memory by working toward a more harmonious world.

Thank you for your continued support and dedication to our students and community.

Best regards,

Ms. Sonia Marotta

PEDAGOGICAL DAYS

Just a reminder that there will be no school on the following dates: **November 1, November 18 and November 29.**

CASUAL DAYS

November 8 and November 22 will be our next casual days. We kindly ask all parents and guardians to review the guidelines on page 11 of the school agenda. Students are asked to bring in a minimal donation of \$2. All proceeds collected on **November 8** will go towards the **Starlight Foundation**. Proceeds collected on **November 22** will go towards JCA school events.

REMEMBRANCE DAY

November 8, our animator, Ms. Veronica, will lead a Remembrance Day assembly. We will remember and honour all the brave individuals who served our country and those who continue to serve today.

TCBY

November 20 will be our next TCBY day. We ask that our students bring their reusable spoons.

PARENT-TEACHER INTERVIEWS

Parent-teacher interviews will be held on **Thursday, November 28**, in the gymnasium. More information to follow.

Please note that the report cards will be available via Mozaik as of **Wednesday, November 20.*

STIAM/ SCIENCES

M. STEFANO

ME VOICI

Je suis enseignant de sept ans d'expérience dans diverses écoles. En plus de mon métier d'enseignant, je suis également un père très fier de ses trois enfants, un entraîneur de soccer depuis douze ans et un entraîneur personnel. Ces différents rôles ont contribué à enrichir ma compréhension du travail d'équipe, de la discipline et de la motivation. J'ai hâte de poursuivre l'excellent travail réalisé depuis des années précédentes et d'apporter ma touche personnelle et unique en classe, pour créer un environnement d'apprentissage engageant et soutenant pour mes élèves.

STIAM/SCIENCES

S.T.I.A.M. (sciences, technologies, ingénieries, arts et mathématiques) joue un rôle crucial dans le processus d'apprentissage des élèves. L'intégration de ces matières favorise la pensée critique, la créativité et les compétences en résolution de problèmes essentielles pour les jeunes apprenants.

Importance de S.T.I.A.M. :

- Cette approche renforce l'engagement et la motivation
- Elle permet des applications concrètes dans le monde réel.
- Elle développe la collaboration et la communication
- Stimule la pensée critique, la résolution de problèmes et l'innovation.
