5. Terry Fox Activity

For over 11 years the Carlyle family has enthusiastically participated in the Terry Fox Run. This is without a doubt, a very meaningful and impactful learning activity for all of our students.

Our Terry Fox Activity resumed to its usual walk around the community. So far this year, \$1000.00 + was raised. Thanks to all the participants and contributors. Until next year!

6. Grade 6 Elections

As part of their IB Unit of Inquiry on government, Who's in Charge?, students learned about different forms of government, their purpose, as well as how the electoral system functions in Canada. In turn, students took part in their version of the Carlyle Elections. Students from grades 4 to 6 listened to the speeches in the gymnasium and casted their votes to determine our classroom representatives.

Congratulations to the elected candidates, Darshan (room 201) and Alessandra (room 202). Wishing our grade 6 team a great year!

7. Time Change

Please note that on **Sunday, November 6th**, we are turning back the clocks one hour for daylight savings time and this may impact your Monday morning schedule.
