As in the previous years, we have introduced the program for the grade 5 and 6 students and encouraged them to apply for a Leadership position. The purpose of the program is to help the leaders develop and foster a sense of pride, respect, responsibility and leadership through working with younger students, the Carlyle staff and community members in various school activities.

Integrating the themes **LEAD, SOLVE** and **PLAY** the students will participate in several training sessions that will prepare them to become:

Leaders, Problem Solvers, Risk Takers, Dependable and Trustworthy

The PPO has had a very prosperous start to the year, thanks to you!

Thank you to all parents for your efforts & support.

We will be having our first PPO meeting on the evening of October 5th, over Zoom. We look forward to coming together with you to collaborate on upcoming endeavors & hoping to see some new faces joining us then. More info will be shared soon regarding upcoming volunteer opportunities for library, Open House, Picture Day & Book Fair.

Breakfast Club:

A huge “thank you” to the parents who have already volunteered your time to help out with the Breakfast Club!

The Breakfast Club is still looking for volunteers to help toast & butter bread **on Tuesday & Thursday mornings from 7:45 to 9am**. We have 30 loaves of bread to toast for the students and have limited staff to help with this job. You do not have to commit to every week, but if we could get more participants to volunteer, even 1 morning a month, we can help the school with this generous task.

Please scan the QR code with your phone camera to get linked directly to our sign-up sheet and volunteer today!

Your help is greatly appreciated.
