We Care We Dare We Share

FEBRUARY 2020

Dear Parents/Guardians,

February is a sweet month packed with many wonderful events and festivities. We will be celebrating Black History Month, Valentine's Day, Teacher Appreciation Week, Lunar New Year, and our very own Festival Concert this Thursday evening. Mark February 27th on your calendar as we welcome all of you to our annual Portfolio and Report Card Evening. Please note that Spring Break is March 2nd - 6th so enjoy this mini break and we'll see you on March 9th.

LA DICTÉE P.G.L CYCLE 3 & ROOM 227 INITIATIVE

La Dictée P.G.L with its focus on **Eco-Citizenship: A World of Creativity** is a non-profit organization which not only helps students improve their French language skills but it also helps fundraise for a worthy cause. Participating students need to get sponsors that will donate money either by the amount of correctly spelled words on their dictée or by a fixed amount. The **P.G.L. Raise Funds to Share** will donate half of the money to support children in Haiti and Africa and the other half to special activities for the participating students. Donations must be returned to school by February 19th. Please help support this wonderful initiative so your child can make a difference to less fortunate students and at the same time support their own activities.

K4SC at

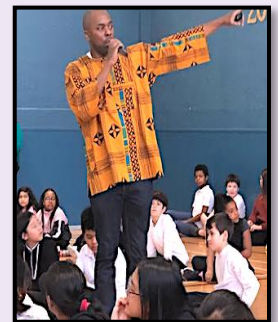

On Monday, February 3rd, the **K4SC** students visited Théâtre St-Denis to celebrate **WE Day**. Grade 6 student, Tu Hoang, represented our school by talking about the **K4SC We Walk for Water** which raised \$1550 for clean water in Kenya. Please visit our Facebook page (www.emsb.qc.ca/coronation) to see Tu Hoang in action. We are so proud of her!

PORTFOLIO & REPORT CARD NIGHT

On **Thursday, February 28th**, we will be having our annual student-led conference and report card evening. A letter will be sent home so you can choose which block of time works best for you. It is an opportunity for students to share their learning and hard work with their parents.

BLACK HISTORY MONTH

Youth Stars hosted by DJ Malik launched our **Black History Month** celebration. Part of the Black History Tour, his interactive presentation focused on the history, the stereotypes and he raised an awareness of prominent people past and present. He spoke of Canadian inventors, writers, politicians, entertainers and even of Shadd Business Center which was housed at Coronation School over 20 years ago! It was both an informative and an entertaining presentation!
