We Care We Dare We Share

MARCH 2019

Dear Parents/Guardians,

Welcome back from the March Break! I hope you all had an enjoyable and restful week. A big thank you to all who came to our annual Portfolio and Report Card evening. Student-led conferences provide students with the opportunity to show their parents what they have been working on and engage in an open discussion about their progress. Communication, accountability and presentation of their work are important life skills and our students did a fantastic job!

BLACK HISTORY MONTH ASSEMBLY

Our Black History Month celebrations were wonderful. Under the guidance of our spiritual animator, Mrs. Linda, students marked the occasion by reciting historical facts, presenting short biographies of prominent people and for the grand finale, **Coronation's Steel Pan Band** entertained us. And by popular demand, our very talented Steel Pan Band also performed in other EMSB schools throughout February - how lucky for them!

PPO UPDATE

How can we ever thank our PPO? They go out of their way to make both staff and students feel very special. We all loved the Teacher Appreciation Bulletin Boards that they decorated with thank you cards and messages from the students to their teachers. As always, they were there on Portfolio Night selling baked goods and made a sweet profit of \$459.35 which will go towards supporting our 2019 graduates! **Thank you** to all you donated and bought these yummy treats.

CHOCOLATE BAR FUNRAISER

Once again, we will be selling chocolates during the month of April. A letter will be sent home by the end of this week and if you are interested in selling, please complete the bottom portion of the form and return with your child by Thursday, March 21st. There will be prizes for the top sellers plus weekly draws. All proceeds from this fundraiser will support various school activities.

STORYTELLING

Congratulations to this year's storytelling finalists:

Rayan Khadhri for "The King's Elephant" a folktale from Burma and **Aaliyah McIntosh's** "Ma visite chez le dentiste" written by Aaliyah. We are all very proud of their accomplishments.

PARENTS' CORNER

Here are some great ideas to help promote literacy at home:

- Make reading enjoyable so read to them or read together or visit a library
- Provide opportunities for purposeful writing at home such as shopping lists, messages, notes...
- Encourage drawing, arts and crafts, acting out stories and sharing stories at mealtime
- Check websites: <https://kids.nationalgeographic.com> www.cbc.ca/kids, www.funology.com,

***If your child will be absent, please call the school by 8:30 am at 514-733-7790.**

Keep up with Coronation's news at www.emsb.qc.ca/coronation. Every month, the newsletter along with pictures, videos and timely information will be posted on our website. Also, check us on FaceBook and Twitter which can be found on our school's website.
