

# CORONATION SCHOOL

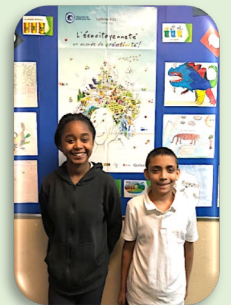

We Care We Dare We Share

MARCH 2020

Dear Parents/Guardians,

Welcome Back! We hope you all had a wonderful break and everyone is well-rested and ready to march on. This month there are many exciting activities planned such as storytelling presentations, cooking lessons, a planting workshop and many more. With Spring just around the corner, we wish you a Happy March!

**LA DICTÉE P.G.L - ROOMS 203, 205, 206, 208, 216 & 227 UPDATE**  
**CONGRATS** to P.G.L. winners, **Muhannad Sarkar** (top Grade 5 and top Cycle 3 student) and to **Kianna Gedin King** (top Grade 6 student). Muhannad will be representing Coronation School at the regional level. To date, participating students have raised \$618.40 (goal is \$1000). Please submit any outstanding donations so that we can support the participating students as well as their worthy cause (to children in Haiti and Africa). Thank you for your continued support.

## McGILL VISITS PREK & K CLASSES

McGill University's, Tomatosphere workshop, will be coming to our PreK and K classes on March 19th. It is part of STEM (Science, Technology, Engineering & Math) and the students will learn and participate in activities about plant growth.

## TEACHER APPRECIATION WEEK

A big **THANK YOU** to all the parents who helped make Teacher Appreciation Week so special. Our wonderful **PPO** prepared a beautiful brunch for the staff. A Thank You tribute graces a bulletin board on the second floor. We can never thank them enough!
