

CORONATION SCHOOL

We Care We Dare We Share

APRIL 2018

Dear Parents/Guardians,

With spring in the air and the end of the winter just around the corner, we are pleased to provide you with some insights into upcoming events: our much anticipated Talent Show, the Junior Robotics Competition with a select group of participating students and many exciting field trips. It is also the beginning of the examination period. This month, Grade 4 students will be writing the English and French end-of-cycle exams and Grades 1, 3 and 5 the Canadian Achievement Test. With this in mind, I kindly ask that your children eat and rest well so that they can be ready and focused during their exams. Coming to school on time is very important as certain exams begin early in the morning. As always, I thank you for your understanding and cooperation.

Joanna Genovezos
Principal

A VERY **BIG** THANK YOU!

Our very dedicated **PPO** amazed us once again. For EMSB's West Sector's Storytelling Presentations, they beautifully decorated our gymnasium and foyer. Classic books, A Wrinkle in Time and Wonder, were the inspiration of their decorating theme. These wonderful ladies created spectacular objets d'art that can still be seen in our entrance and library. Everyone who came was in awe. We all **THANK YOU** for your time, work and above all, your commitment to Coronation!

CHOCOLATE BAR FUNDRAISER UPDATE

We are pleased to announce that our chocolate bar fundraiser is underway and very successful. The response has been overwhelming and many are even requesting a second box! A weekly draw will be made and a lucky winner from each cycle will receive a prize. Please note that this fundraiser ends on April 16th. We appreciate your on-going support.

CHESS CLASSES

Please note that by mid-month our Chess Club will be ending (April 3rd for Cycles II & III and April 16th for Cycle I). All chess members will receive a certificate on their last day.

TALENT SHOW

Our annual Talent Show will be on Thursday, April 19th. We will begin at 6pm sharp so please come early and get a good seat. Many talented performers as well as Coronation's Steel Pan Band will entertain us.

PARENTS CORNER

Don't forget to check out EMSB's tutorial website at:

EXCITING NEWS

We welcome Alessandro Tirelli, a teacher who recently joined our staff. Due to the fact that our student population has grown, he will be offering gym instruction to certain classes as well as coordinate indoor and outdoor daily activities during lunchtime. He has planned a variety of activities such as soccer, dodgeball, basketball and volleyball for the senior students. And for the juniors, they will play soccer and other basic games.

We also welcome Julia Sehmer. She will be teaching English and Math to a Grade 3 class. Ms. Julia is not so new to us as she is a former student teacher and she has substituted at Coronation many times.

SOS Learn is a free online tutorial service at: www.learnquebec.ca

Experienced teachers provide assistance in many subject areas.

Register and learn!
