

CORONATION SCHOOL

We Care We Dare We Share

JANUARY 2018

Dear Parents/Guardians,

Welcome back! I hope you all had a warm and restful winter break. January marks the beginning of new goals, a renewed energy, and a resolution for a productive year. With this in mind, I wish you and your family a happy, healthy and prosperous 2018! All the best, Joanna Genovezos, Principal

Coronation's Celebrity Ribbon-Cutting Event

Vanessa Grimaldi graced us with her presence last month when she came to Coronation for a ribbon-cutting event of our Sensory Room. She generously donated money for building this room that many students benefit from. A former EMSB teacher, winner of last year's show, *The Bachelor*, and founder of No Better You Foundation, Vanessa is dedicated to fundraising money to build Sensory Rooms in Montreal schools. What a great gift to our school!

Accelerated Learning Update

Students participating in our Accelerated Learning Classes have been engaged in exciting math activities while strengthening their math skills. These small group classes provide students with additional support and a hands-on approach to math. It is another successful initiative at Coronation!

Parent's Corner

Healthy food habits are important to a child's physical growth and development. The Canadian Food Guide suggests taking the following into consideration:

What? Where? When?

What? Cook healthy meals (more veggies and grains) and snacks.

Where? Eating together as a family at the kitchen table.

When? 3 daily meals (a good breakfast, lunch and a light supper).

As well, when preparing meals, half the plate should consist of vegetables followed by grains and the smallest portion going to meat products. For additional info check:

<https://www.canada.ca/en/health-canada/services/canada-food-guides.html>

EXCITING NEWS

We're going digital! As of February 2018, our monthly newsletter will be published on Coronation's website. This will help us save thousands of papers every year.

Back in September, most of you provided us with an email address on the Student Information Sheets. If you have a new email address, please let us know (via your child's agenda).

As well, if you do not have one, inform us so that we can provide you with a paper copy.

We appreciate your ongoing understanding and support.
