

CORONATION SCHOOL

We Care We Dare We Share

NOVEMBER 2017

Dear Parents/Guardians,

It's hard to believe that November is here. It seems like yesterday that we started school and soon we are looking at the end of Term I. That means report cards and parent-teacher interviews. On November 22nd or 23rd, you will be invited to come see your child's teacher and receive the first term report card. As well, our annual Book Fair and Bake Sale will take place.

We look forward to seeing you all.

Joanna Genovezos,
Principal

Sensory Room Update

In our September's Newsletter, we mentioned that Vanessa Grimaldi, former EMSB teacher and winner of last year's show, The Bachelor, donated money to our school for a sensory room. Well, it is up and running and it looks great! Some of our students will benefit from interacting with the lights, colors, sounds and play objects in a safe environment.

The Hockey Sweater by Roch Carrier

Some very lucky students went to see a wonderful musical based on the famous book, The Hockey Sweater, written by Quebec author, Roch Carrier. It was a spectacular performance and a memorable night.

A group of Grade 6 students will be attending the **WE Day** event in Ottawa on November 15th. They will be inspired by an A-list of performers like Rick Hansen, Alexandre Trudeau and many more. Co-founders of **WE Charity**, Marc and Craig Kielburger, have been educating and motivating young people to change lives and transform communities world-wide!

Parent's Corner

Dr. Gordon Neufeld, international authority on child development and author of Hold On to Your Kids, stresses the influence that parents have in helping their children reach their potential. He has noticed that children today often look to their peers instead of their parents for guidance, values, identity and even behaviour. Dr. Neufeld recommends "reattaching" to your children by:

- Spending time together every week doing something together (a game, a walk, a movie)
- Transmission of culture (cooking meals, celebrations, language)
- Enjoying the extended family like visiting grandparents, cousins, etc.

See Dr. Neufeld's site for more info on helping children thrive at: www.neufeldinstitute.org

EXCITING NEWS

Our **Movie Night** was a great success! Congrats to **Kids For Social Change** for organizing such a fun night. They raised over \$400! This money will be donated to Mrs. Trocard's (Coronation mom and volunteer of many years) native land, **Dominica**, that was devastated by Hurricane Maria this past September.

CORONATION SCHOOL

QUOTE: "To live in hearts we leave behind is not to die. At the going down of the sun and in the morning, we will remember them." Homage to our soldiers

Thank You to our wonderful PPO for making Halloween so spooktacular! ☺
