

CORONATION SCHOOL

We Care We Dare We Share

September 2017

Dear Parents/Guardians,

The Coronation Team would like to extend a warm welcome to all the students and their parents. We hope that your summer break was both pleasant and restful. A new school year is always filled with excitement and we look forward to working with you and your child. Our goal is to provide the best possible educational experience so that all students are actively engaged in an enriched environment. Along with your support, together we can guide the students to reach their potential. Welcome back and a successful school year to all!

Joanna Genovezos
Principal

Your child will be receiving an agenda that serves as a homework reminder and also as a communication between the school and the home. Take time to go through the insert (beginning section of the agenda) that has important information in regards to Coronation School's principles and procedures. In particular, please read page 6 with your child and both sign the student-parent contract confirming your understanding of the rules and regulations.

On Thursday, September 14th, we hope to see you at our annual Curriculum Night. The purpose of this evening is to give you an opportunity to meet your child's teachers and to be given information about our programs. Later, you will be receiving a Standards & Procedures booklet outlining subjects, objectives and evaluation procedures prior to Curriculum Night. Please note that we will be voting for our Governing Board members on the same night. A joint partnership between home and school promotes cooperation and student success.

We kindly ask that you guide and support your child's learning by making certain that he/she:

- Attends school everyday and on time
- Comes prepared (uniform and books)
- Completes homework to the best of their ability
- Reads daily to develop a love for reading and to improve literacy skills
- Limit time spent on video games and sleep early

EXCITING NEWS

Vanessa Grimaldi, EMSB teacher and winner of this year's show, *The Bachelor*, generously donated money to Coronation School! Vanessa plans to continue fundraising and supporting Montreal schools throughout the year. This money will go towards furnishing a Sensory Room in our school. What a great way to start the school year!

If your child will be absent or late, please call the office at 514-733-7790
Parents wishing to contact their child's teacher are kindly asked to write a note in their agenda. Unexpected visits are not permitted as they disrupt the classroom and may pose a safety issue if the adult is unfamiliar to the staff. Thank you for your understanding. ☺
