

CORONATION SCHOOL

We Care We Dare We Share

September 2018

Dear Parents/Guardians,

Welcome back! I hope you all had a happy, restful and fun summer. I am replacing Mr. Talevi as your Interim Principal and I am very excited to be part of the Coronation Family! I would like to welcome you all to the 2018-19 school year!

Your child has received an **Information Booklet** and an **agenda**. Please fill out and return the forms by September 7th. The agenda serves as a communication tool between school and home as well as a homework reminder. We encourage you to read the parent's section (at the very beginning) to learn more about our school's procedures and regulations. Read page 6 of that section with your child and review the rules. We kindly ask that you and your child both sign at the bottom acknowledging your understanding and agreement of these rules.

Meet-the Teacher/Curriculum Night is on Thursday, September 13th at 6:30 pm. The purpose of this evening is to give you an opportunity to meet your child's teachers and to be given information about the programs and classroom routines. You will soon be receiving a **Standards & Procedures** booklet outlining the subjects, the objectives and the evaluation procedures prior to Curriculum Night. This booklet is an overview of your child's grade-level program organized by term.

On the same evening, we will be voting for new Governing Board members. If you are interested, please add your name to the letter that will be sent home. A joint partnership between home and school promotes cooperation and student success. We look forward to seeing you at our annual Curriculum Night.

If your child will be absent, please call the school by 8:30 am at 514-733-7790.

EXCITING NEWS

Coronation School has a new schoolyard! Over the summer, the construction crew was very busy building a new schoolyard. The circular driveway makes an impressionable entrance into our front yard. The schoolyard facing Victoria Avenue is new, smooth and safer. Added features include the fixed concrete benches for our students to sit on year round, a basketball area, a PreK & K area, and beautiful landscaping. This \$1 002 142 beautification project has made Coronation even more appealing.

N.B. For safety reasons, cars cannot enter the driveway so parents can drop off or pick up their children. They must park on the street outside the school grounds. Thank you for your understanding.

Keep up with Coronation's news at www.emsb.qc.ca/coronation. Every month, the newsletter along with pictures, videos and timely information will be posted on our website. Also, check us on FaceBook and Twitter which can be found on our school's website.
