We Care We Dare We Share

March 2021

Dear Parents/Guardians,

Hello March, Hello Spring!

"In March, winter is holding back and spring is pulling forward. And something holds and something pulls inside of us too." Jean Hersey

Given this past year, it's fair to say that we are all looking forward to more cheerful times! Speaking of cheerful, our Carnival Week last month was truly a cool event. The students had a fun week with different activities every day such as wearing funny socks, a pink T-Shirt for anti-bullying awareness, crazy hair as well as outdoor games.

Yoga Based on Books!

In keeping with our cheerful theme, Cosmic Kids Yoga is a wonderful and free website which takes children through an interactive yoga adventure. These videos are posted weekly and encourage mindfulness, relaxation and get kids into yoga. Each video has a literary theme so kids can have a yoga experience while enjoying a good story (ex: Harry Potter, Superhero Kids, Moana, The Very Hungry Caterpillar even Minecraft). Visit their site at: [youtube.com/CosmicKidsYoga](https://www.youtube.com/CosmicKidsYoga)

Van Horne Park Renovation

1.5 million dollars have been allocated to the renovation of Van Horne Park! The CDN/NDG Borough contacted us to ask for improvement suggestions. We proposed a basketball court, a track and field upgrade (add turf), a tennis court or a skating rink. In addition, more lighting would make it a safer place and more benches would encourage families to enjoy the area.

COVID-19 Info

The government is offering to vaccinate parents whose children attend schools in the Côte-St. Luc and Plamondon area regardless of age to help control the British variant from spreading. Minute of Silence on March 11th

The Quebec Government organized a National Day of Remembrance for Covid-19 victims. We observed a minute of silence to honour the memory of these victims.

Since we cannot visit a sugar shack, the sugar shack will come to Coronation! We will enjoy a pancake breakfast with maple syrup Thursday, March 25. Each class will be receiving boxed pancakes and a refreshment.

La classe de Mme. Valérie

Bonjour! Dans la classe de madame Valérie, nous avons appris sur cinq religions importantes: le christianisme, l'islam, le judaïsme, l'hindouisme et le bouddhisme.

Les adeptes du christianisme sont appelés chrétiens. Leur lieu de culte est l'Église et leur livre religieux s'appelle la Bible.

Pour l'Islam, les adeptes sont appelés musulmans. Leur lieu de culte est la mosquée et leur livre religieux est le Coran.

Le judaïsme est suivi par le peuple juif. L'écriture religieuse juive s'appelle Torah et leur lieu de culte s'appelle une synagogue.

Les adeptes de l'hindouisme sont appelés hindous. Leur lieu de culte est le Temple. De nombreux hindous suivent des rituels basés sur les Vedas.

Pour le bouddhisme, les adeptes sont connus comme bouddhistes. Leur lieu de culte est la pagode et ils font aussi la puja comme le font les hindous.

Il est important d'apprendre sur les religions pour comprendre la foi, la culture et, surtout, cela nous rend plus tolérants les uns envers les autres.

L'école Coronation a des étudiants de différents pays, cultures et ethnies. Par conséquent, nous pouvons trouver des adeptes pour diverses religions. Ici, nous apprenons à respecter toutes les religions. Nous parlons, discutons, comprenons et apprécions la diversité. *Harshit*

Pre-Kindergarten

Pre-K celebrated the hundredth day and learned how to count by 10's!

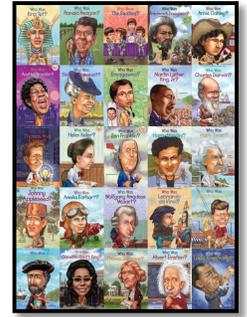

Ms. Amanda's Class

For St-Patrick's Day, Ms. Amanda's class is learning how we can spread kindness. Here are some examples of what the class came up with!

Mrs. Pam's Class

We are working on biographies of people from the past and from the present. We are reading and learning about different people like Malala Yousafzai, Bruce Lee, Anne Frank, Neil Armstrong and many more. It's important to read biographies so that we can learn about their great accomplishments and how they have helped the world. It is fascinating to learn about these people. *Mutaa*

On Monday, March 8th, we celebrated International Woman's Day. We talked about their importance and their impact world-wide. The students were inspired to write poems about special women in their lives. Here are two lovely examples:

Lita or Maria is my grandmother
I love her with all my might
Travelled to Spain, Africa and India
Amazing baker, makes the best cinnamon cakes!
By: Esmeralda

Roshni, my mom, is polite and kind
Often puts a smile on my face
Special and generous lady
Has been there for me; always helps me
Nice and understanding in every way
Intelligent lady and I love her so much!
By: Krisha

We are very lucky to have a new student teacher (Miss Salina). She helps us with Math and English Language Arts (novel study, spelling, poetry and grammar). She is very kind, polite and funny too. Sometimes she tells us stories. She

teaches us new things and also plays games with us. She has been with us since February 23rd. Soon she will graduate from McGill University and become a teacher and hopefully at Coronation. We are lucky to have her in our class.
