

Bulk Ordered Supplies 2022-2023

Outlined below are the prices the school commands by purchasing in bulk through our suppliers. Should you choose, they may be so removed in their entirety from the school fees. If you choose to do so, please ensure that these items get added to your child's respective supply list.

Please Note: Prices may vary slightly (or no longer be available) from when approved in June until invoiced in August. Should items increase in price or are back-ordered the list will be adjusted to reflect the change in August.
