Dear Parents / Guardians of the Dalkeith Community,

School Fees for the 2024-2025 academic school year have been set by the Governing Board varying between \$130.00 and \$170.00 depending on the level of the student. The fees are outlined in the table below and include bulk purchases for uniform items. Items on this list include specifically ruled copy books, ergonomic markers, and/or durable items that the teachers have identified knowing the students and their needs in their classes. Purchasing these items as a school in bulk through our distributors allows us to command a better price for you. Furthermore, it saves you from running from one store to the other when some items sell out. However, should you wish to try to find these items on your own you are welcome to remove them (in their entirety) from the fees and add all items to your appropriate supply list(s). This measure has been adopted by our Governing Board and is intended to simplify your back-to-school shopping and hopefully save you a little money. The Bulk Order Sheet [with our prices] as well as the Supply Lists [grade specific], can be found on our website.

The consolidated school fees have been broken down for you in the table below.

LUNCH SUPERVISION FEES:

This year you will be receiving a registered invoice from the school for lunch supervision fees. Please **wait for this invoice before making a payment (monthly)**

2024-2025 Lunch Supervision Fees have been set at the following rate of \$280.55

This works out to \$1.55 a day

If your child is registered in daycare full-time, there is no fee for lunch supervision (included with daycare charges).

As in the past, should ANY fee cause undue financial hardship, payment plans can always be arranged through contacting the Principal directly. Otherwise full payment of the school fees are due in September 2024.

Thank you for your continued support and as always, if you have any questions or concerns do not hesitate to contact us.

Respectfully,

J. Wright
