EMSB Safe Physical and Cyber Environment Policy (2013)

The English Montreal School Board (EMSB) believes that every member of its community has the right to learn and work in a safe physical and cyber environment. The EMSB advocates a strong safety and prevention focus which includes student education and support, as well as professional development as per the Quebec Education Program (Q.E.P.) and the EMSB's Strategic Plan.

Our Safe School Action Plan

This plan outlines the measures for preventing and responding to acts of bullying and violence in our school in accordance with the EMSB Safe Physical and Cyber Environment Policy and the Quebec Education Act (QEA).

Our school is committed to providing our students with a safe and caring learning environment. We encourage all members of our school community to act with respect and kindness towards others. Our school expects students, parents/guardians and others who witness or learn about an act of violence or bullying involving a student to report it promptly. Our school administration will take the necessary steps in investigating reports and ensuring safety for those concerned.

Safe School Team

Our Safe School team is working to ensure safety and maintain a positive school environment. Every year, members of our team review and update our Safe School Action Plan. Our Safe School Team members are:

- *Joe Schembri* *Principal*
- *Maria Maiorano-Drudi* *Teacher*
- *Marie-Josée Nardelli* *Resource Teacher*
- *Giuseppina Ippolito* *School Secretary*

School Climate

Assessing the school climate helps us understand how safe students feel in their learning environment. It allows us to reflect on what improvements we can make and how we can build interpersonal relationships, engage students socially, and foster emotional and physical safety. Our school collects data related to school climate from various sources.

- *Tell Them from Me, 'Our School' Student Surveys*
- *Observations & Reports from School Staff*
- *Incident Reports (including school suspensions)*
- *Bus Behaviour Reports*

Based on our data analysis, we have established the following priorities for the coming school year:

- Create awareness of Code of Conduct
- Promote Internet Safety (Digital Citizenship)
- Student Leadership Initiatives
- Identify & Support 'At-Risk' Students

Violence Prevention

As part of our efforts to increase protective factors and educate our staff, students, and the wider community on issues related to bullying and violence, our school will:

- *Increase awareness (supervisors, teachers, parents, students)*
- *Meetings with Parents*
- *Socialization Groups run by Behaviour Technicians*
- *Guest Speakers*
- *Student Assemblies*

Equity, Diversity, and Inclusion

Our school is committed to addressing various forms of violence and bullying, including harassing behaviours that target perceived aspects of a person's identity (i.e., body size, exceptionality, sexual orientation, gender and gender expression, skin colour, ethnicity, religion, language, culture, socio-economic class). We are committed to fostering an inclusive school environment by:

- Educating all our stakeholders
- Inviting Guest Speakers (schoolwide or for target groups)
- Holding schoolwide events that showcase diversity

Collaborating with Families

Families are instrumental in helping schools prevent, detect, and resolve incidents of bullying and violence. Through such means as organized events, distribution of information sheets, newsletters posted on the school website, presentations and individual meetings, our school will actively support and encourage families to:

- Recognize signs of distress in their child.
- Understand the difference between conflict and bullying.

- Report suspected acts of bullying or violence to the school administration.
- Reinforce pro-social behaviours in their child/youth.
- Collaborate with school staff in finding solutions if their child is involved in acts of bullying or violence.
- *Information from Parents (PPO & other)*
- *Schoolwide events (Corn Roast, Family BBQ, etc.)*

Response Procedures

Our school is committed to ensure that professional and teaching staff members receive ongoing training on how to respond appropriately when witnessing or being made aware of harmful behaviours. Claims of bullying and violence will be investigated according to guidelines established in our school. Emphasis will be on assuring safety, promoting accountability with consideration to mitigating factors, and repairing harm.

Reporting Procedures

The protocol for reporting incidents of bullying and or violence will be described in the student agenda and school website. The protocol will explain that:

- *Students are provided with confidential, safe, and age-appropriate ways to report an incident (e.g., by talking to a staff member, by submitting a note in a designated box, etc).*
- *Staff members complete a reporting form to alert the administration to investigate and follow up promptly after an incident has occurred.*
- *Parents/guardians can report to (their child's teacher, school administrator, behaviour technician...) in person, with a direct phone call or by email*

Measures to Protect Confidentiality

Our school pledges to take steps to protect the confidentiality of persons involved (victim, perpetrator, witness) in a bullying or violent incident. Our staff and families will be reminded that they are to share information about an incident strictly on a need-to-know basis with consideration to the feelings and privacy of individuals. Reports will be kept confidential in a secure location.

Supervisory & Support Measures

Our school professionals and staff may take the following steps to support any student who has been involved in, targeted, or affected by bullying behaviors.

- *Consultation with guidance counselor and other appropriate school professionals.*
- *Meetings with parents/guardians to reinforce social skills building activities at home.*
- *Provide relevant educational activities for students.*

Disciplinary Measures

If after investigation, claims of bullying or violence are confirmed, the principal or designee will determine what disciplinary measures will be required. The school's disciplinary measures will be formative, fair (considering the nature, severity & frequency of act as well as any other mitigating factors) and respect legal requirements regarding the confidentiality of students. In line with the EMSB Safe Physical and Cyber Environment policy, police may be contacted when a criminal act or threat of a criminal act may be involved.

Follow-Up Measures

Our school will take necessary steps to protect students from harm or retaliation after an incident has occurred. The school will ensure a proper follow-up by:

- Documenting the investigation process, interventions and communications with parties involved.
- Maintaining communication with families and students involved in the incident.
- Verifying that support services are offered as required.
- Checking in with students to ensure well-being and to prevent escalation or retaliation.
- Providing educational services to the wider school population if the incident reflects a larger problem within the school.
