Address: _____

Postal Code: _____ **Telephone Number:** _____

2021-2022

August 2021

Dear Parents,

It is my pleasure, on behalf of the East Hill School Team, to welcome you to the 2021-2022 school year. The beginning of a new school year is always filled with excitement! We are looking forward to working with you and your child this year.

This is a very important time in your child's life. Your child will be developing many skills this year: academic, organizational and social skills as well as self-confidence and responsibility. As a parent you play a major role in helping your child reach their potential; your involvement in your child's learning experiences will be a major factor in their success not only throughout their school career but also in later life. Together, I believe we can help your child become the best individual possible. Together we will nourish the passion of learning in your child.

The East Hill staff endeavors to establish a positive, safe and rich learning environment for your child. If you have any concerns, please do not hesitate to contact us. With Parents & School working together your child will have a positive and successful school year. Within a welcoming, nurturing environment, our students will acquire the skills and knowledge required for life-long continuous learning.

Agendas are the student's responsibility. With responsibility comes pride of ownership and a sense of accountability. As parents and teachers, we share an obligation to encourage personal responsibility. This agenda has been designed with the following objectives in mind:

- provides valuable information about our school policies & procedures
- serves as a means of communication between home and school

The agenda is an excellent tool to support students. Please allow your child to take personal responsibility for:

- returning the agenda at home to school
- having agenda signed each day
- returning home/school communications as newsletters, notes or permission forms
- printing/writing neatly in agenda
- maintain the appearance of the agenda (no scribbling or defacing agenda)

These points, even at a young age teach responsibility and guide the child in developing character.

Thank you for your support. **Together**, we will inspire in your child a thirst for knowledge, academic excellence and a life-long love of learning.

L. Amato

Principal

It is the students and parent's responsibility to read the school pages. I hereby confirm that we have read and understand the content.

EAST HILL'S MISSION STATEMENT
(Educational Project)
PREPARING OUR CHILDREN TO BE LIFE-LONG LEARNERS

East Hill Mission Statement states:

- We believe that East Hill School is:**
- **welcoming and conducive to learning**
 - **where children are taught to be lifelong learners**
 - **where children can grow intellectually and emotionally in a safe environment**
 - **where children are encouraged to strive to meet their greatest potential**
 - **where everyone feels a sense of belonging**
 - **a school that places a high value on the respect of oneself and others**

East Hill Elementary School prepares students for life-long learning within a caring, safe and inclusive community. We are committed to raising competent and confident children through challenging learning opportunities where the academic learning process is valued and where self-esteem becomes the basis of a child's healthy, emotional and intellectual growth.

Our goal is to nurture the development of each child - academically, socially, culturally, and physically. Each child shall be encouraged to reach his/her potential in all areas.

Through all aspects of school life, children will be taught moral values to become caring, responsible and self-confident individuals and be respectful of the rights and property of others. In a mutually respectful environment, children will learn the inter-personal skills they will need in school and later on as adults. These skills will enable them to live and work harmoniously in a multicultural society.

With pride, East Hill School seeks to uphold its mandate by preparing its students to one day emerge as creative and critical thinkers contributing to the welfare of their families and society.

It is especially important to us to create a learning environment where self-esteem is fostered in every individual by offering pedagogical activities that promote each student's individual success. This is achieved through our French immersion educational program and reinforced with our enriched media, music and physical activity disciplines.

IMPORTANT DATES

Formal Reporting to Parents

	<u>Report Card issued to Parents</u>	<u>Parent-Teacher Conferences</u>
Progress Report Card	November 16th	November 18th
Term 1	January 26 th	February 3 all day
Second Progress Report	April 22 nd	N/A
Term 2	June 23	N/A

Meeting with the Teachers

If parents wish to meet with their child's teacher other than on the Parent-Teacher conference dates indicated above, a note should be written in the child's agenda. The teacher will call to set a time convenient for all.

Special Events

September 15 th	Meet the Teacher Evening
September 23 rd	Governing Board General Assembly (Elections)
September 30 th	Home & School Meeting
December 1 st	Open House
June 17 th	Pre-KDG End-of-Year Celebration
June 21 st	KDG End-of-Year Celebration
June 22 nd	Grade 6 Graduation
June 23 rd	Last day of school for all students

Holidays and Professional Days

For your convenience, the official School Calendar has been placed on the back cover of this agenda. Please note the holidays, school board professional days and East Hill's professional days.

SCHOOL HOURS

SCHOOL OFFICE HOURS/DAYCARE

School Office: 7:30AM to 3:30PM

Telephone: (514) 494-3202

Daycare: 7:00AM to 7:40AM
2:48PM to 6:00PM

Telephone: (514) 494-7467

7:40 – 7:45 school entry
 7:45 – 7:50 homeroom
 7:50 - Class begins
 9:50 – 10:10 junior recess a.m. 1:20-1:40 junior recess p.m.
 10:15-10:35 Pre-k & K recess a.m. 1:45-2:05 Pre-k & K recess p.m.
 10:15-10:35 senior recess a.m. 1:45-2:05 senior recess p.m.
 11:35-12:35 lunch
 2:48 End of day

Entrance:

Upon entrance into the school, all children will proceed to their classrooms in the following manner:

- **Pre-Kindergarten & Kindergarten** children will enter the school through the **daycare entrance**.
- Children with homerooms on the **top floor** will enter by the **main entrance**.
- Children with homerooms on the **ground floor** will enter by the **door** under the "overpass".

EAST HILL'S LOOP & PARKING LOT

For safety reasons there is **NO ACCESS** to parents' cars in the loop & parking lot between 7:35-8:30AM & between 2:10-3:00PM.

Kindly note that a member of administration will be standing at the bottom of the hill (Perras) as of 7:35AM to ensure that students safely walk up the ramp.

Anyone visiting the school cannot park their vehicle in the loop from 2:10PM until after students are dismissed.

Attendance & Punctuality:

Punctual and regular attendance at school is critical to the proper education of your child as well as to the other children in your child's class. If your child will be absent or a late please contact the school to notify us between 7:30 and 8:30 a.m. Please note that if a student is late on a regular basis, parents will be contacted by the administration. The request for homework should be made before 9:00 a.m. In the event your child will be absent for an extended amount of days please notify the office by phone or a written note in the agenda.

If you are planning a family trip please sign the forms available at the office. We strongly suggest that parents avoid planning family trips during the school year because students, upon their return to school, will need to work harder to catch up on their schoolwork. However, this does not apply during the holiday period marked on the school calendar.

If your child is feeling ill please keep them at home. A sick child is unable to concentrate and put his best effort forward. During recess students are all expected to participate in outdoor play. In the case of long-term illness or injuries, alternate arrangements can be made upon the request of the child's physician.

Appropriate Language:

The language throughout the school and on the ground will demonstrate respect for all staff and students. Therefore, name calling, swearing, crude or rude and obscene language spoken, written or gestured will be unacceptable.

The use of appropriate and tasteful language is an important life skill. When language is offensive to others, hurt feelings may lead to further conflicts. A child may receive consequences as per Top of The Hill.

East Hill Color Code

UNIFORM

WHITE POLO TOP

Short or long
sleeve polo only

*No colorful logos

NAVY BLUE BOTTOM

Pants

Skirts, dresses or
shorts with white
or blue socks

*No white logos or
lines

*No jeans

Label Everything

For Cold Weather:

Students can wear a navy-
blue vest or cardigan over
their white top.

*No Hoodies

Our East Hill dress code has been established. Students are required to dress in a manner that reflects school as a place of learning. At school students are expected to dress neatly and modestly. While we recognize the right of parents and children to express themselves through their clothing, we must reserve the right to have the final say regarding the appropriateness of any clothing worn at school. Below are some guidelines for staff and students:

- Shirts, blouses will cover entire torso area
- Skirts and shorts need to be modest (mid-thigh or longer)
- Undergarments must not be showing
- No flip-flops. Be aware that flip-flops pose a concern because their feet are not protected. Should injury occur the Island Council, whom provides insurance to students during the school day will not cover the costs, if any
- Top should not be tucked into leggings. Polo must be worn over leggings
- Unnatural hair or streaks are not permitted
- Make-up is not permitted
- Hair pieces must be discreet
- Nails are too be kept short for hygienic reasons. No fake nails or extensions.
- Long hair must be tied for boys and girls.

Consequences:

Failure to comply with the dress code will result in one or more of the following actions determined by The severity of the situation:

- Discussion with a student that will lead to a change of clothing (t-shirt will be available at the office to borrow)
- Phone call to parents/guardian
- If continued, the administration will address the situation

Earrings/Jewelry:

*Any jewelry such as necklaces/chains, watches and bracelets are not permitted

*For safety reasons, only earrings **close to the ear** will be accepted

***While earrings close to the ear are accepted, they MUST be removed for gym classes.**

For safety reasons, it is of utmost importance to us that the above rule be followed. However, if you would rather not have your child remove their earrings during the physical education period, a contract can be signed in recognition of this. Please understand that, upon signing this contract, the school is no longer responsible in the event of an injury while wearing earrings.

Footwear:

Students must wear LACED RUNNING SHOES with thick soles, thick heels, and arches. Please note that, for safety reasons, high tops are not permitted.

Physical Education: Dress Code Details

- **Levels 1-6: Plain navy-blue bottom (jogging pants are permitted) with an elastic waist and an all-white t-shirt.** Please note that, as with the regular school bottoms, no lines or logos are permitted.
- **All phys. ed. items must be kept in a cloth bag identified with your child's full name.**
- **Pre- K, Kindergarten:** do not need to change for their phys. ed. classes and must respect the dress code. They can wear their uniform day of Physical Education.
- ***While earrings close to the year are accepted, they MUST be removed for gym classes.** For safety reasons, it is of utmost importance to us that the above-rule be followed. However, if you would rather not have your child remove their earrings during the physical education period, a contract can be signed in recognition of this. Please understand that, upon signing this contract, the school is no longer responsible in the event of an injury while wearing earrings.

STUDENTS' ABSENCES

Health and Medical: Minor bumps, scrapes, and cuts will be looked after by the staff. If an accident appears to be more serious or if a child becomes sick in school parents will be notified in order that the child gets the proper care.

Please note that if the person responsible for the child cannot be reached in an emergency, the school staff will make the decision as to whether a child must be seen by a doctor or sent to the hospital for medical care. Should a child be set to the hospital by ambulance for medical attention, he/she will be accompanied by a staff member. The staff member will stay with the child at the hospital until a family member arrives.

Parents are encouraged to subscribe to personal accident insurance in case their child gets hurt while participating in physical education, sports or other circumstances. Fees incurred for ambulance services, medical, dental, ocular services and any other service related to an injury will be assumed by the parent/guardian, not the school. Parents can contact their personal insurance about information or advice on accident insurance coverage.

Change of Address and telephone Numbers

Parents are responsible for informing the school and daycare of any changes that occur to the home address or telephone number

SAFETY & WELLBEING OF OUR STUDENTS

Health Problems/Allergies: Parents must inform the school if their child suffers from any health problem or allergies.

Medication: Students are **NEVER** allowed to have medication of any kind in their possession. If a child is required to take medication while at school, written parental permission must be given to the teacher accompanied by the medication in the **original container** from the pharmacy, **with the Doctor's name clearly evident** on the label. **No medication will be given to a child unless it is prescribed by a Doctor.**

Parents must fill the consent form available on the school website under:
East Hill Parents/Information & Notices/Health Topics.
(Also included at the end of the school pages)

School Nurse: The school is supported by a CLSC nurse who helps us address the medical issues pointed out by parents on the Health Record form. Also, **the nurse verifies the vaccinations and medical records** of kindergarten students and coordinates the hepatitis vaccinations for the level 4 students.

Communicable Diseases: it is important that the school be made aware of any communicable disease. Equally, the school will bring to the parents' attention any suspected cases. It is the parent's responsibility to seek appropriate medical attention and take the necessary action. It is very important to keep pupil information updated in the case of an emergency. In September students complete a registration and medical form. If there are any changes throughout the year please inform the school immediately.

Dental Hygienist: Will provide a dental check-up program to some of our students in K-3.

School Closure due to Emergency

Should the evacuation of our building ever be necessary for safety reasons,
the students will be taken to

École Simone Desjardins at 9955 Boulevard Perras, ' 514-881-7160.

Parents will be contacted and notified of the emergency through a mass notification system.
Clear instructions will be given to inform parents of the procedure that has been put in place.

Visitors to the Building: All visitors to the building must sign in at the office and wear a visitor's name tag. If you are bringing a school bag, a lunch, or any other item your child forgot or needs, please leave it with the secretary in the main office. She will ensure that your child receives the item. To prevent unwanted visitors from being in contact with our children, we ask for the cooperation of every adult entering the building.

SCHOOL ROUTINE

Arriving at school on time is fundamental.

Tardiness is not accepted. **Students arriving after the departure of the buses are considered late.** The students who are not in school by the departure of the buses must report to the office where they will need to pick up a late slip which will be kept on file.

Please understand that classes begin immediately as students enter the building. Tardiness therefore equates a loss of valuable learning time and classroom organization that may hinder your child's success.

Repetitive tardiness will be addressed with parents and it will be **recorded on student's official school file.**

DISMISSAL ROUTINE

Parents must establish a Regular Dismissal Routine (Bus, Daycare, and Walk) as much as possible Dismissal routine should not be changed!

Emergency Situation: We do understand that emergency situations can occur during the course of a year. In these rare cases we ask that parents forward their request by writing a clear note **in the child's agenda** (never use a loose sheet as it can be lost too easily). In the case of a last-minute **emergency, parents must call the school before 12:00PM.**

Early Dismissal: Please write a note, **in your child's agenda** to your homeroom teacher to let him/her know your child's change of routine. When picking up your child, report to the office to sign the early dismissal register.

Late Dismissal:

If parents arrive late to pick-up their child (after the school buses leave) there will be no teachers available for supervision. Thus, parents will have to pick-up their child from daycare (11,00\$ sporadic fee will be charged to parents).

Dismissal for Daycare Students: If parents are picking up their child at the end of the school day, they must pick up their child **at the daycare.** Teachers will not dismiss daycare children from the school exits (upstairs or downstairs). Once attendance has been taken by daycare and the school buses have departed (around 2:35PM), daycare children will be released to their parents by our daycare staff.

LUNCH TIME

Every classroom is supervised by a lunchtime supervisor.

**** Children who consistently create a situation that jeopardizes a pleasant lunch period may, after a series of warnings, lose the right to participate in the program.**

- ✓ Children must eat their lunches at the assigned desks. A placemat is strongly recommended.
- ✓ They are responsible for **keeping their personal area clean**.
- ✓ Glass containers are not permitted in school.
- ✓ **Food cannot be shared between students** to prevent allergic reactions.
- ✓ Students who forget lunches will be provided with a small snack
- ✓ **"Junk" food, such as potato chips, chocolate, etc., is discouraged**

School's Green Team project:

Throughout the 2019-2020 school year, the use of single-use plastic was phased out. As a result, **ONLY** re-usable water bottles are accepted.

Students are encouraged to have a **"garbage free" lunch box J.**

Recess snack and lunches must not contain nuts/peanuts or soya butter sold as "fake" peanut butter as it is impossible for the adults responsible to guarantee what it is.

Important to note!

For Recess Snacks...
to encourage healthy eating habits,
only fruits, vegetables, yogurt, crackers, cheese are recommended.

Students are asked to bring their own **re-usable fork or spoon** - (no knife).

SCHOOL LIFE

Learning Commons: Library books should be returned on the due date. Children with overdue books will not be permitted to take out other books. If a library book is lost or is severely damaged, parents will be asked to pay for the book. Our library technician is supported by dedicated volunteers who, together, ensure that our students have access to the library on a regular basis.

Milk Program: In the fall, parents will receive information regarding the milk program as well as a form to obtain consent for the child to participate in the milk program. Only children whose parents have given permission will receive milk. Milk is distributed early in the morning, usually three days per week.

Merenda is the food provider approved by Governing Board. The hot meal program is organized entirely by our food supplier. Any dealing/modification/ adjustment brought to your child's hot meal, as well as hot meal transfers to siblings. If you have any questions regarding this program, **parents can order online** <https://www.traiteurmerenda.com/> or contact them by phone 514-490-1235. Meals that are not eaten are not stored at school. Please do not call the school concerning hot meals matters.

Governing Board: The Governing Board is a body composed of, parents, staff, administration and community volunteers who work together to ensure that all students receive the best possible learning opportunities. The Governing Board works in conjunction with the staff and parent community to attain the school's mission and goals. (Note that the dates of the meetings are posted in **Governing Board** on the school's website at www.emsb.qc.ca/easthill).

The Home and School Association: The Home and School Association is a body of parents working to provide the best educational and fun experiences for our children. Members work together with the principal, the staff and the Governing Board to provide students with an enriched school environment. The members are very much involved in school life and their high level of participation has contributed enormously to the success of the school. They have been involved in the organization of activities, in helping out teachers in classroom activities and class trips, preparing materials and books for classroom and library use, in fund-raising, and by serving on various committees. Their efforts have been tremendous and very much appreciated by all the children and staff members. (Note that the dates of the meetings are posted in **Home & School** on the school's website at

www.emsb.qc.ca/easthill).

Social Media 101

with Mrs. Nadia our Media Teacher

As you already know, the Internet can be a great resource for children. They can use it to research, communicate with others, and play interactive games. Children who are old enough to type a few letters on the keyboard can literally access the world!

However, that access can also pose hazards. That's why it's important to be aware of what your child sees and hears on the Internet, who they meet, and what they share about themselves online. Internet Safety and Cyber bullying is discussed in our Media Program throughout levels 3 to 6. **There are also numerous steps parents can take to protect their children who use the Internet.**

I would like to highlight the following tips:

- Bookmark kids' favorite sites for easy access.
- Steer away younger children from chat rooms. Older children should only participate in chat rooms that you approve of.
- Talk to your children about potential online dangers such as giving out personal information to strangers. Chat room acquaintances are strangers and your child should never arrange to meet them in the real world unless you give permission and/or know who they are.
- Share an email account with your child or know his/her passwords in order to monitor messages.
- Spend time online together to teach your kids appropriate online behavior. In addition, talk with your kids about your concerns, take advantage of resources to protect them, and keep a close eye on their activities.
- When researching at home, consider using "kid friendly" search engines that are simple, safe and child oriented. For instance, when researching in the media lab, our students use Kid Rex, Duck Duck Go, Kiddle, Qwant junior, Junior Safe Search etc.

Wishing you a fabulous academic year!

Mrs. Nadia Barrafato
Media Teacher

DISCIPLINE POLICY

The discipline policy of the school is based on the concept that personal freedom is accompanied by the responsibility to respect the freedom of others. Common courtesy, good manners and mutual respect are expected. Discipline is most meaningful when it is self-imposed or self-controlled.

It is therefore necessary that the school have the parents' support, cooperation and assistance when required.

Safe School Policy (document available at www.emsb.qc.ca/easthill)

Rules are drawn up with the safety of children and to maintain a positive learning environment in mind. The Discipline Policy is in line with East Hill's Safe School Policy which has been approved by the Governing Board. Parents are asked to review the rules listed below with their children.

Under the safe school policy bullying has been highlighted as it is a serious concern in school. Therefore, to further elaborate on this, there are 4 types of bullying:

- Physical
- Social
- Verbal
- Cyber bullying

Bullying involves repeated acts of aggression and a balance of power. Students involved in bullying will be dealt with appropriately depending on the age of the offender and the seriousness of the act. Anti-bullying measures will be added to the monthly newsletter.

East Hill's main discipline program is known as 'Top of The Hill', consisting of two categories: Self-Control & Organization. The self-control hill is used to address any moments where students use inappropriate actions. The organization hill is used to address issues where a lack of organizational skills is hindering the student's success. The following image represents the system in place. Your child's personalized 'hill' can be found on the last page of this agenda.

The Top of the Hill program is used to address the following issues:

1. Respect for Others:

- Show respect for all adults and students at all times. Respect includes courtesy, good manners, politeness, cooperation, proper tone of voice and body language.
- Emotional abuse such as mocking, humiliating, and ridiculing will not be tolerated.
- Listen to and follow the instructions of teachers, lunch supervisors and other adults responsible for you while you are in school.
- The use of bad language will not be tolerated.
- Children who consistently create a situation that jeopardizes a pleasant lunch period may, after a series of warnings, lose the right to participate in the program.

2. Respect for Property:

- Show respect for the property of others. Damage of any school property will not be accepted (schoolbook, material, etc.). Likewise, students must be active participants in keeping the school facility proper. Any form of vandalism will not be tolerated. Parents will be charged for damaged property.
- Respect the privacy of adults and other students. Do not go into the locker or desk of another student or any teacher without permission.
- Gum chewing is not permitted anywhere in the school building, on school property or on the bus.

3. Personal Possessions:

- Items from home such as games, toys, etc. should never be brought to school or on the bus. If brought to school, these items will be confiscated and will be returned after a period of time to be determined by school administration. The school is not responsible for lost or damaged items.

4. Dress Code Infractions:

- Students who repeatedly neglect dress code rules will receive a consequence.

****Please take into consideration that, at any point, the administration may decide to deviate from the Top of the Hill program and give a consequence appropriate to the wrongdoing, if deemed necessary.****

The following disciplinary issues are exempt from the 'Top of the Hill' program:

- Suspension
 - PED Day (8:00AM – 12:00PM)
 - In-School (7:45AM – 3:30PM)
 - At-Home
 - Please note that any suspension MUST be followed by a meeting with parents.
- Immediate loss of field trip privilege
 - Students who lose their field trip privilege must attend school for a regular schoolday
- Detention until 3:45PM
 - Please note that a detention may be followed by a meeting with parents.
- Formal meeting with administration
- Expulsion

1. Violence, Aggression and Dangerous Behaviors:

- Violence or aggression will **NOT BE TOLERATED** and lead to suspension
- Bullying (to treat others abusively, repeatedly) will **NOT BE TOLERATED**. Bullying includes physical or emotional abuse. Regardless of where the bullying takes place, it will be addressed by the school if the victim of the abuse feels unsafe and threatened while in school. Consequences will ensue.
- Inappropriate aggressive outbursts toward adults or peers as well as excessive foul language will **not be tolerated**.
- Dangerous behavior of any kind is not permitted.

2. Electronic Devices:

- The use of personal electronic devices is not permitted throughout school hours and/or in any extension of the school day, including bus rides, field trips, after-school activities, daycare time, etc.
- Devices found in students' possession will immediately be confiscated and will be returned to a parent.
- Please note that our students have many opportunities to explore technology with the school's devices (i.e. iPads, Chromebooks, laptops, etc.). However, abuse of these devices (inappropriate content searches) will not be tolerated.
 - o *****Social Media Use***:**
 - In order to further reinforce Bill 56 (An Act to Prevent and Stop Bullying and Violence in Schools), parents will immediately be advised of any scenarios (and the accompanying disciplinary measures) regarding:
 - Verbal aggression through social media
 - Inappropriate online content
 - Posting content related to the school day
 - Defamation of the school through online posts

*East Hill has started and will continue to endorse the Pink T-Shirt stating that we stand up to bullying.

Please note that parents will always be contacted for the disciplinary issues exempt from the 'Top of the Hill' program (#1 & #2 above).

3.Homework Policy:

EMSB believes in the values of homework when it is meaningful to the students and is guided by specific instructional purposes.

It also reinforces learning and enhances academic achievements for students. It fosters intellectual discipline and life-long learning skills.

Parents are encouraged to become familiar with the school homework policy, to schedule a routine time for homework to be completed, to provide a suitable environment for the performance of homework activities and to be mindful that their child completes assignments. (This is taken from EMSB Ped services Homework Policy, Education Act 96.13)

Therefore:

Homework is a time for parents to be involved in the learning of their children. Homework is meant to be a positive experience and an opportunity to spend time in a learning environment at home with your child. Work that is sent home is generally work that was not completed in the allotted time in class or it can be work that needs to be reviewed. It can also be preparatory work for a new concept. Example, working on bees, find three main points about bees.

When homework is assigned, individual differences must be considered. Activities shall be appropriate to the students' level of achievement and reflect specific needs.

STUDENT FEES 2020-2021

The following fees were approved by the Governing Board at its meeting of June 2020.

Cheques must be made payable to East Hill School with the child's name, homeroom number and reason for the payment written on the back of the cheque.

When bringing money to school, **children must not leave money in their lockers or their desks.**

The money should immediately be given to the teacher in the morning, during homeroom time.

If there are special circumstances which would prevent a family from completing the payment of fees by the specified dates, please contact the school Administration to discuss alternate payment arrangements.

Level	Workbooks <i>Ordered by the school for your child to use in class</i>	Consumable materials <i>Agenda, worksheets, reproducible material</i>	Total
PRE-K	-	20\$	20\$
KDG	10\$	20\$	30\$
Level 1	61\$	20\$	81\$
Level 2	75\$	20\$	95\$
Level 3	92\$	20\$	112\$
Level 4	85\$	20\$	105\$
Level 5	71\$ *A few workbooks will be used over 2 years	30\$	101\$
