Dear Parents

Beginning on Monday October 4, 2021, all pre-school students (pre-kindergarten K4 and kindergarten K5) taking school transportation are required to wear a procedural mask on the school bus. The school board will provide 2 procedural masks (child size) per day to each pre-school student who takes the bus.

To that effect, the school will be providing a mask to take home on a daily basis. The students will be instructed to place the mask in the pocket folder of their agenda. Should you wish to provide a Ziploc bag for your child to transport their mask home, you are welcome to do so.

Kind Regards,

S. Rebelo
