For grade 2 students - Music Class

Dear parents,

Grade 2 students will need a recorder (*flûte à bec*) as part of their music program.

Although the school will provide recorders, please note, they will be used by other students. Therefore, if you wish you can purchase a plastic YAMAHA YRS-24B soprano recorder, as seen in the image below. They retail for approximately \$15 and can easily be found at any local music store, and/or school suppliers during back to school season.

Thank you,

Rocco Simone
