For grade 4 students - Music Class

Dear parents,

Grade 4 students will need a pair of **earphones** in the Keyboard Lab.

Although the school will provide headphones, please note, they will be used by other students. Therefore, if you wish you can purchase a pair of **earphones** (not headphones) for your child resembling the models shown below. Earphones need to be identified with the child's name and will be used by your child only.

All earphones will be stored in the Keyboard Lab and each set will be placed in separate zip lock bags (zip lock bags will be provided by the school). Note that the earphones will be used for grades 4,5 and 6. Earphones will be returned to your child at the end of grade 6. If by chance the earphones become damaged over the years, they will be sent home and a replacement may be purchased.
