**Re: FIRE DRILLS**

Dear Parents,

Each year the school must perform certain emergency exercises with our students. The following is to inform you that on Monday, September 11, 2023, weather permitting, we will be holding our first fire drill of the school year.

The teachers will be preparing the students for this practice exercise and consequently we would ask that you discuss with your child the importance of taking the exercise seriously. Please note that subsequent fire drills will also be conducted

We strongly recommend that your child attend that day so that they may benefit from the exercise.

Kind Regards,

S. Rebelo  
Principal  
East Hill Elementary School
