

Festival du Livre Scholastic

East Hill Home & School Association French Scholastic Book Fair 2023

Dear Parents,

Our French Scholastic Book Fair is back!

Students will be scheduled time to browse and shop at our school French Book Fair on Tuesday, December 5th & Wednesday, December 6th.

During the above-mentioned dates, children will have the opportunity to visit the fair and purchase their favorite titles in FRENCH. Classes will be given assigned times to visit the Book Fair and together with their teacher, they will carefully select their books.

Remember, all purchases benefit our school and earn Rewards that can be redeemed for books and Education Resources for our school's classrooms and library.

We suggest providing your child with their funds in a Ziplock or an envelope with their name on it to avoid any loss of money.

Please note that students must purchase at least one book before they are permitted to purchase any other items such as posters, pencils, erasers, etc.

Thank you for participating in our Scholastic Book Fair & Happy Reading!

East Hill Home & School Association
