Re: MIRA FOUNDATION PROJECT

Dear Parents,

As you know, The MIRA Foundation pursues the goal of strengthening the autonomy and social inclusion of people with visual, physical and autism spectrum disorder. This organization is dedicated to helping these individuals by pairing them with dogs bred and fully trained to respond to their adaptation and rehabilitation needs. All MIRA's services are free of charge to individuals with one or many visual or motor disabilities, and to children presenting an autism spectrum disorder.

East Hill has decided to support this foundation this school year. To do so, all staff, teachers, and students will be asked to bring as many ring tabs (*goupilles*) as possible. The final amount of ring tabs collected will generate an amount of money that will then be donated to the MIRA Foundation.

We strongly believe that it is a great way to expose our students to a real-life cause while having them involved in the community. **We will officially launch this project and start the collection of ring tabs as of Monday, October 30th.** The collection will be ongoing throughout the school year. As it is a schoolwide project, East Hill entire community will be encouraged to participate in this great initiative.

Thank you all for your collaboration and participation.

Kind regards,

Mme Excellent
Vice Principal
East Hill Elementary School
