Re: SALE OF HONEY FROM SCHOOL BEEHIVE

Dear Parents,

We are pleased to announce that once again, the harvest from our beehive was a great success. The staff at Alvéole, our community partner in this endeavour, have been taking really good care of our bees.

Please note that the school will once again be offering parents the opportunity to purchase honey from our beehive at \$5 for a 100 ml jar. If you wish to purchase a jar, please fill out the coupon below and return it in an envelope by Monday, December 18, 2023. Please note that there are only 100 jars available for sale. The sale will be conducted on a first come first served basis.

We kindly ask that payment be made by cheque to the order of East Hill Elementary School. The honey jar(s) will be sent home via your child. Please note that the jars will be bubble wrapped, in order to avoid breakage during transport.

Thank you for your support and collaboration in maintaining this project.

Kind Regards,

S. Rebelo
Principal
East Hill Elementary School
