

THE EDINBURGH WAY

"to respect ourselves, others, and the environment"

(from the École Edinburgh School Mission Statement)

"The Edinburgh Way" reminders found below are inspired by the Edinburgh "Mission Statement" and are in addition to "règles de vie" established in each classroom. These guidelines are a continual "work in progress" and are subject to change after consultation with the Staff and School Council of Edinburgh School.

How we respect ourselves and others

1. We arrive at school on time and we wear the Edinburgh Dress/Colour Code.
2. We respect each other's' personal space (no hitting EVER).
3. We use only the student playground entrances (except for special circumstances)
4. We get into the "entering the school line" when the bell rings
5. We use the stairs one step at a time and on the appropriate (up or down) side.
6. We keep right on stairs and in corridors leaving room for others to get by.
7. In the halls, we walk and work quietly (including at lunchtime and after school).
8. We work outside our classrooms, quietly and with our teacher's supervision.
9. Our caps are for outdoor use (except under special circumstances).
10. We are indoors and in classrooms at recess and at lunch only with adult supervision.
11. We make sure our teachers know where we are at all times. We speak to the teacher first when we go to another class on a message or when we arrive late for class.
12. We hold doors open for each other .
13. When we have to leave early during school time, we sign out from the office with our notes from home.
14. We respect everyone in the building. We are courteous to others by opening doors for them, not push in front of them and not interrupting them when they are in conversation with others.
15. Treat others the way you want to be treated.

How we respect the environment

1. We keep the school clean by picking up debris anytime and everywhere.
2. We write on paper and other suitable materials (e.g. not on desks, walls).
3. We use, reuse, and recycle paper.
4. We refrain from chewing gum.

Rules for friends to live by

- Always be nice to friends.
- Always be open and truthful with your friends.
- Don't lie to your friends
- Don't be bossy and keep telling your friends what to do.
- Don't talk about your friends behind their backs.
- Friends must always give one another the chance to decide what games to play.
- Don't give your friends attitude; give them your support and understanding.
- Think about what you say to your friends before you speak. Don't say things that might hurt their feelings.
- Don't brag to your friends about the things you do or how you are better than they are.
- Don't try to buy your friend by giving them gifts or by making promises you can't or don't intend to keep.
- Don't say bad things about your friend's family members or their other friends.

These rules were put together by a group of grade 5 students who were reflecting on their friendships and how they could keep their friends. Let us know if you have any other "rules for friends to live by" that could be added to the list.

Transportation Code

Please review the ***Edinburgh Way*** and the ***Code of Conduct***, as these rules will be enforced for everyone's safety. The ***Edinburgh Safe School Action Plan***, posted on the school's website, addresses any continuing acts of bullying.

Cellular Phones

Students may bring their phone to school, but the following rules will be enforced:

1. Phones are to remain in the student's locker or school bag.
2. Cellular phones are not to be used in school. If there is an emergency, or if a student must contact a parent, they must come to the office and we will allow them to call from our office phones.

4. Students are NOT permitted use their phone to record (video and/or audio) while on school property.

Student Dress/Colour Code

The mandatory Edinburgh School Dress/Colour Code promotes school spirit and simplifies dressing for school in the morning. Edinburgh's Dress/Colour Code begins on the first day of school, August 31, 2021, and ends on the last day of school, June 23, 2022.

Parents are asked to ensure their child's attire follows the school's colour/dress code before they leave home. Students' clothing must be of solid colours, except for slacks, which may have a narrow white or red stripe along the outer seam.

- **red, white or navy-blue shirt, blouse, turtleneck or T-shirt; sturdy shoes**
- **red, white or navy-blue cardigan, sweatshirt, kangaroo or sweater; sturdy shoes**
- **red, white or navy-blue pants, jogging pants, shorts, skirt or jumper; sturdy shoes**

** Indoor shoes are required*

*** Please note that sandals or open toed shoes are forbidden for security purposes ***

Students are not permitted to wear at any time:

- jeans
- shorts/skirts that are shorter than 5 fingers above the knee
- strapless/sleeveless t-shirts, muscle shirts, spaghetti-strap dresses/blouses
- clothing with trademarks or logos greater than the size of the École Edinburgh School Crest (8 cm or 3.5 inches)
- t-shirts with offensive language.
- anything that leaves their midriff exposed (i.e. cropped shirts or low-rise pants).

If your child's clothing does not follow the outlined rules, a dress code infraction will be sent home in your child's agenda. Upon receipt of three infractions, the child will be asked to call home to request that a parent bring appropriate clothing to wear.

If the problem persists, administration will request a meeting with the parent. If you are unsure of the appropriateness of a clothing item, please check with the office before sending your child to school.

Free Dress Days

Students are welcome to wear clothing that does not follow the school's dress/colour code on free dress days, however, the restricted items listed above remain in effect.

Physical Education Dress Code

- Shorts, sweat-pants; T-shirt; running shoes.
- Students in grades 3 to 6 must bring a change of clothing (i.e. T-shirt, shorts) for Physical Education class.

***PLEASE NOTE:* Students are required to wear shoes indoors at all times.**

In winter, boots and another pair of shoes are required. Children may choose to leave their shoes in school during the winter or carry them back and forth between home and school. Children who do not have shoes at school are required to call home to have them delivered.

Students **must** wear snow pants throughout the winter. As the school has no drying facilities and children may be playing outside as least two or three times during the school day, it is extremely important that they be well dressed to remain warm and dry.

Student Attendance

PLEASE NOTE: For safety and security reasons, your child will be dismissed to the bus, to BASE Daycare or to walk, depending on the instructions originally given to the school.

In the case of a sudden change, please notify the office or the teacher (and BASE Daycare Technician, if necessary) by a written note. We are obligated to respect the original schedule unless advised in writing by a parent.

Also, please call the office in the morning, if your child is sick, late, or absent. There is always an answering machine available when the office is not staffed (514-486-0981).

Notes are required for any student absences, including early dismissals.

Parents are asked to schedule medical appointments outside of the school day, whenever possible.

Parents should plan their holiday travel around the school calendar. Teachers are not expected to provide work for a student on holiday.

School starts at 07:55; students arriving after that time will be considered late.
