

EDUCATION CONSULTANT (ASSISTIVE TECHNOLOGY)

General Circular No. P30 – 2104-762

Place of work:	Student Services
Status:	100 % Supernumerary Position
Salary Rate:	\$25.25 to \$45.22
Start Date:	Immediate
Immediate Superior:	Director

Nature of the Work

The education consultant participates in carrying out the educational project and the special projects of educational institutions; he or she participates in the development, implementation and evaluation of their success plan, while complying with the academic and administrative requirements of both the educational institutions and the school board.

Tasks and responsibilities

- He or she contributes to the implementation of programs of study and training, provides advice to the teachers and administration concerning the interpretation of those programs, designs and leads training workshops and sessions on program components.
- He or she collaborates in developing learning situations and supports experimentation in class. He provides advice and support to teachers either individually or in a group format in matters pertaining to their daily teaching activities.
- He or she develops or selects and delivers training and instrumentation activities designed to respond to needs in pedagogical adaptation, innovation and development and provides teachers with learning evaluation tools and guides them in the design, preparation or adaptation of evaluation tools.
- He or she may be called upon to work with a multidisciplinary team to draw up and review the individualized education plan of a handicapped student or a student with social maladjustments or learning difficulties and participates in defining intervention objectives and means.
- He or she works with teachers to prepare and implement strategies and projects aimed at helping students who are experiencing or who are likely to experience social maladjustments or learning difficulties and advises management, teaching or professional staff on matters pertaining to professional development programs, plans the programs and evaluates the results.

Requirements & Qualifications:

- A Bachelor's degree with an appropriate specialization
- Post-graduate studies would be an asset
- A permanent teaching licence issued by the Minister of Education (MEES)
- Excellent English/French language skills, both oral and written
- Knowledge of the Quebec Educational Program
- Knowledge of Information and Communications Technology
- Strong communication, organizational, analytical, interpersonal, and leadership skills as the candidate must maintain close contact with administrative staff, MEES personnel & teachers
