

## SCHOOL GOVERNING BOARD

Each year every school holds a general assembly of parents to elect representatives to the governing board which is made up of an equal number of parents and school staff. From the elected parents, the general assembly elects a delegate and alternate delegate to the parents' committee. The Governing Board approves issues such as: the educational project, subject time allocation, school budget and is also consulted on textbooks, instructional materials and school closings.

## EMSB PARENTS COMMITTEE (EMSBPC)

The PC is composed of all delegates from the schools and a member of ACSES. The EMSBPC designates parents who will take part in the various committees established by the school board such as: Education Committee, Finance Committee, Transportation, Educational Policies, and Adult Education & Vocational Services Advisory Committee. The EMSBPC gives advice on subjects conducive to the most efficient operation of the school board. They inform the school board of the needs of parents and they give recommendations to the school board on matters such as: school closures, Deeds of Establishment, school calendar, dedication of a school to a special project, policy on Financial Contributions from Parents or Students. The EMSBPC elects four parent commissioners (elementary, secondary, ACSES & other) to sit at the Council of Commissioners

All EMSBPC meetings are open to the public and everyone is welcome to attend.
