OPPORTUNITY**

25 Celebrating 25 years!

**EDUCATION CONSULTANT,
AUTISM SPECTRUM DISORDER (ASD) COMPLEX CASES
AND SEVERE BEHAVIOUR DIFFICULTIES**
General Circular No. P20/ 2104

Place of Work:	Student Services
Status:	100% supernumerary position (temporary, current school year)
Salary Rate:	\$27.08 to \$50.39
Start Date:	Immediately
Immediate Superior	Director

Nature of the Work

The education consultant participates in carrying out the educational project and the special projects of educational institutions; they participate in the development, implementation, and evaluation of their success plan, while complying with the academic and administrative requirements of both the educational institutions and the school board.

Tasks and responsibilities

- Develops adaptive approaches/strategies, works one on one to enable student to be successful in all subject areas in collaboration with teachers and professionals within other departments.
- Facilitates the integration of one or more students with complex cases of ASD with severe behavior difficulties into the regular sector or self-contained classes if need be and monitor, where possible, their academic progress and organize professional development workshops for the teaching, administrative and professional personnel.
- Communicates to schools the special education resource network (liaison with the Health and Social Services Sector) available and facilitates the integration of identified special education students within their community school.
- Assumes a leadership role with school administrators, teaching personnel and parents with respect to the principles, procedures, roles, and responsibilities regarding the individualized education plan (IEP).

Requirements and Qualifications

- Bachelor's degree as well as a certificate, diploma or graduate degree in the field of special education or in a related field
- Strong knowledge and relevant teaching experience (preferably a minimum of (5) years in the field of ASD complex cases and severe behaviour difficulties would be an asset)
- Ability to be a dedicated and conscientious individual who can function well under pressure as well as have the ability to work effectively both independently and as a member of a team
- Excellent language skills, both oral and written
- Strong communication, organizational, analytical, interpersonal, conflict resolution and leadership skills
