**EDUCATION CONSULTANT
(Arts-études musique)**

General Circular No. 9/ 2104

Place of Work:	Educational Services
Status:	100% Supernumerary Position
Hourly Rate:	\$27.08 to \$50.39
Start Date:	Immediate
Immediate Superior:	Director

Are you passionate about music education and dedicated to nurturing the musical talents of secondary students? We are seeking a highly motivated and qualified individual to join our team as the Education Consultant, *Arts-études (musique)*.

Nature of the work

As the Education Consultant, *Arts-études (musique)* you will play a pivotal role in shaping the musical experiences of our students. Your responsibilities will include organizing music programs, overseeing music events, and working closely with teachers and students to ensure a vibrant and engaging musical environment within our school. You will also collaborate with various committees and contribute to the overall enrichment of our school's music program.

Tasks and responsibilities

Collaboration: Work collaboratively with teaching staff, students, and committees to organize musical events, performances, and competitions.

Resource planning: Organizing resources, including musical equipment and instruments to support the needs of the music program.

Curriculum Enrichment: Contribute to the development and enhancement of the music curriculum to provide an enriching musical education experience.

Community Engagement: Foster connections with parents, the community, and external organizations to promote the growth of our music program.

Continuous Improvement: Stay updated on current trends and innovations in music education to enhance the quality of our music program continually.

Supervision: Provide guidance and supervision to students participating in music programs, ensuring a safe and inclusive learning environment.

Requirements and Qualifications

- A Bachelor's degree in music education or a related field.
- A valid teaching license issued by the relevant educational authority.
- Comprehensive knowledge of music education principles and practices.
- Familiarity with the local educational curriculum and standards.
- Proficiency in computer applications relevant to music education.
- Exceptional communication skills in both English and French (oral and written).
