EMSB CONNECT :

A showcase of student work and contest winners!

English  
Language Arts

**Read every day!**

Listen to a reading of [How to Make an Apple Pie and See the World](#)

Listen to the story again and try to find some of the countries mentioned in the book on a [world map](#).

**Talk Till You Drop!**

Look at and discuss these [30 dishes from around the world](#) with a family member. Can you guess each country of origin? Be sure to hide the answers from each other!

The fun doesn't have to end there! Take this [quiz](#) to test your knowledge of the origin of some delectable foods from around the world!

**Let's Explore!**

Let's travel the world! Which countries would you like to visit? What amazing places would you like to see? [Google Earth](#) let's you visit any destination in the world. *Oh, the places you'll go!*

**Write The Day Away!**

Write a letter to a friend, family member or teacher to tell them all about the things you learned and sights you saw!

Check out these letter writing [guidelines](#) and [get started!](#)

You can also share your letter on EMSB Connects.

Have a parent fill out the [permission form](#).

Mathematics

**Application Questions**

Check out this [video](#) about the coins of Canada! (Note: The half dollar or 50 cent coin is not in common circulation.)

If you're in grade 3, try: [Trip of a Lifetime](#)

**Coin Riddles**

What's in your pocket? Try to solve these [coin riddles!](#)

Check out this [video](#) to find out why a loonie is called a loonie!

**Saving for My Wish List**

In this [activity](#), make a wish list and see how long it takes to save up the money!

If you need to review rounding, check out this [video](#).

**Shop the Market**

Try the [shopping challenge](#) to see if you can buy everything that you need with \$100? Check out the [supermarket flyer!](#)

**Need More Practice!**  
Go to [Netmath](#), it's free until July 1!

**Application Question**  
The answers to last week's activities are [here](#).
