A College Board Advanced Placement School

September 23<sup>rd</sup>, 2022

Dear Students and Parents,

Your decision to register for an Advanced Placement exam at Westmount High demonstrates that you see academic challenges as opportunities to prepare for future success.

Please complete the exam registration process before **Tuesday, November 8<sup>th</sup>, 2022**.

In-person exams are planned for May 2023; however, if conditions change whereby in-person exams are no longer permitted, students who have registered for an AP exam will be informed of new exam formats and administration protocols.

## AP Exam Registration Process

1. Submit the AP Exam Registration Form & Conflict of Interest Disclaimer, as well as all exam fees (\$175 per exam) to the WHS Administration office **before Tuesday, November 8<sup>th</sup>**.
2. Create a College Board account at <https://myap.collegeboard.org> (if you already have a College board account from a previous year, use the same account).
3. When your registration has been processed, use the Join Code that you will receive by email. Once you have joined your exam-only course section, you will be registered for the AP exam in that course automatically.

With the registration deadline a little more than a month away, AP students should take every opportunity to learn about the course and the exam content. It might seem early to think about your AP exams; however, students who commit to challenging themselves academically earlier in the year are more likely to pass their AP exams.

If you have any questions about registering for AP exams or about the benefits of accepting the *AP Challenge* at Westmount High, please do not hesitate to ask me.

Sincerely,

Ryan Ruddick, AP Coordinator, [rruddick@emsb.qc.ca](mailto:rruddick@emsb.qc.ca)
