- A reminder that students should not be bringing medication from home to school without first communicating with an administrator in order to complete the required paperwork. There are particular rules that apply to medication that need to be followed as it could present a danger to students if they are shared. Please see the FACE Code of Conduct in the agenda for more details.
- A reminder that elementary school students must present themselves at office 105 in case of an early dismissal. They should not go to the front reception. High school students must present themselves at the front reception in case of an early dismissal. A reminder that all students leaving early due to illness must first pass by the nurse's office so the situation can be assessed.
- All school fees for this academic year must be settled by March 30, 2024. For more information on how to proceed with a payment, please contact our school secretary. Should you require a payment plan, please contact Mrs. Harriet.
