OUR FACE MOMENTS

Elsa Kuerti from 5E was recently awarded the Student of the Month award at the English Montreal School Board. Our entire school is very proud of her!

At only 10 years old, Elsa is not only an accomplished artist on her violin but a great role model and mentor to her peers. Playing at a collegial level, Elsa participates in the FACE Symphony Orchestra, which rehearses weekly, after school, for two and a half hours. However, in order to support her peers and help the elementary school string orchestras, she gives an hour of her time each week during lunch to support and lead the Junior Orchestra and another hour after school to lead the Intermediate Orchestra. A testament to her ability, this winter, Elsa was one of the four FACE elementary students featured in Vivaldi's concerto, which was performed at Place Des Arts to celebrate the 25th anniversary of FACE's Symphony Orchestra
