Additional Information for Parents:

I will be evaluating the following cross-curricular competency for the 11Es:
Organizes his/her/their work

PLEASE NOTE – I consider the following to be cheating:

1. Copying work off another student
2. Using Google Translate for more than a couple of words here and there.

This results in a failing grade and I will ask for the work to be redone.
Parents shall be informed should this happen.

LATE ASSIGNMENTS: Medium and major assignments are penalized at 10% per day. After 3 days, the work can only obtain a grade of 60% should it be done satisfactorily. After 5 days, I will consider that the assignment has been failed, as students are given ample time to complete work. Of course, this is to my discretion should various factors be at play (i.e. illness, etc.) Weekends count!
