Materials/Routines/Other:

Hello!

I hope you and your family are doing well. In physical education, we explore movement and motor skills through many different activities. Student participation and effort are essential to learning and are evaluated throughout each term. In addition, attitudes and behaviours are also reflected in the report card.

All students must come prepared to class with the appropriate clothing, footwear, and water bottles. Students should be prepared to go outside, weather permitting. Information regarding changes to upcoming classes will be available to students on **GOOGLE CLASSROOM**.

I am looking forwards to a wonderful year!

Katie Annan
