June 8, 2021

Dear Parents,

As you may have heard, new preventative measures for schools in orange zones throughout Québec were announced this week by the Québec government. The measures are effective as of June 8, 2021.

New Measures effective June 8, 2021:

### **Grade 1 to 4 students:**

- Grade 1 to 4 students will no longer have to wear procedural masks in classrooms, common areas and on school transportation.
- Should you wish for your child to continue wearing a mask while in class, in common areas or on school transportation they are more than welcomed to do so. Please note that you will have to provide the mask(s) for your child.

### **Grade 5 & 6 students:**

- Grade 5 & 6 students will no longer have to wear procedural masks in their classroom. However, grade 5 & 6 students will have to wear the procedural masks in common areas and on school transportation.
- Students in grade 5 & 6 will continue to receive two child-sized procedural masks per day provided by the school.
- Should you wish for your child to continue wearing a mask while in class, they are more than welcomed to do so.

As the situation evolves, you will be advised accordingly.

Kind Regards,

S. Rebelo

Principal

Gerald McShane Elementary School
