Dear Parents,

As you may have heard, new preventative measures for schools in red zones throughout Québec were announced this week by the Québec government.

Effective Monday March 8<sup>th</sup>, all elementary schools of the English Montreal School Board will be applying the new directives. Procedural mask will be mandatory for grade 1 to 6 students in classrooms, common areas and on school transportation. Masks will not be required for elementary school students outdoors.

Students will receive two child-sized procedural masks per day provided by the school. Until we receive the procedural masks and are able to start distributing them, your child must come to school wearing a face mask.

Please note that preschool students (k4 and k5) are not required to wear procedural masks in school.

As the situation evolves, you will be advised accordingly.

Kind Regards,

S. Rebelo

Principal

Gerald McShane Elementary School
