HALLOWEEN ACTIVITIES

Dear Parents,

On Friday, October 30, 2020 we will be celebrating Halloween. Unlike previous years, activities will be conducted in the class by the homeroom teachers.

Students have the option of wearing a costume on that day however, we ask that they come to school already dressed up in their costume. In planning for this day, please take the time to help your child select a costume that is safe as well as age appropriate in a school setting. Faces may be disguised with make-up however, the following accessories are **not permitted**: masks, plastic weapons, sharp objects or any item that may be deemed unsafe.

Please note that grade 5 & 6 students must wear their face coverings (masks) on that day.

Please be reminded that Halloween is one of those special occasions where children may receive treats. If you **do not** want your child to receive treats, please advise the homeroom teacher in writing and also mention it to your child.

We wish all of our students an exciting and safe Halloween!
