## HOOKED ON SCHOOL DAYS ACTIVITIES 2020-21

Dear Parents,

Hooked on School Days reminds students, parents and school staff that they play a vital role in encouraging students to persevere in their educational journey. This year, the campaign aims to illustrate the power of small gestures – actions anyone can take. When they're all added up, they can make a real difference in the success of young people.

This year's theme for HOOKED ON SCHOOL DAYS is "A Moment, For Them." This is an opportunity for our students to identify strategies that keep them persevering when faced with a challenge.
