Dear Parents,

The following is a reminder on certain procedures that need to be observed in order to ensure the safety and security of our school community.

Parking Lots:

Recently, we have noticed a few problematic situations in the parking lot. Parents are reminded that they are not to drive into the parking lot between 7:30 am and 3:00 pm. The only parents permitted in the parking lot at that time, are those who have a child in the sport concentration program, who are dropping off / picking sports equipment.

When dropping off or picking up your child, parents are asked to park in a spot and not double park or park along the sidewalk in the parking lot. Parking is only permitted in the designated area. Please see diagram attached.

Masks on School Grounds:

We have noticed that a number of parents are entering school grounds without a procedural mask. As per the regulations from Sante Publique, parents are reminded that they must wear a procedural mask while on school grounds. Please see attached poster.

Kind Regards,

S. Rebelo
Principal
Gerald McShane Elementary School
