PHYSICAL EDUCATION T-SHIRTS

Dear Parents,

As per the school's code of conduct, students are required to wear the school's physical education t-shirt during physical education class. Furthermore, the t-shirt will also be worn during school outings. Wearing the t-shirt in question, makes our students much more visible to our staff especially, when more than one school is at a given location.

The cost of the physical education t-shirt is \$13. If you do not currently have the physical education t-shirt, you are kindly asked to purchase it as soon as possible. Please note that there are no refunds/exchanges issued once the t-shirt has been given to the student/parent.

Should you need to purchase the physical education t-shirt, you are kindly asked to:

- 1) Complete the order form coupon below.
- 2) Send a cheque made payable to Gerald McShane Elementary School. Inscribe the caption "**Physical Education T-Shirt**" in the memo section on the cheque.
- 3) Return the response coupon and the cheque in a sealed envelope with your child's name and the caption "**Physical Education T-Shirt**" written on the envelope.
