March 9, 2021

Dear Parents,

As you are already aware, students from Grade 1 to Grade 6 are now required to wear procedural masks in class, while moving about the school, at daycare and on the school bus. Please note that they do not have to wear them in the school yard. The Ministère, through the school, will be providing students with pediatric procedural masks.

### PROCEDURE FOR MASK DISTRIBUTION

- Each day, students will receive 2 masks after lunch.
- The first mask is to be worn during the afternoon period (after lunch recess until the end of the day).
- Students who take the school bus or attend daycare, must wear their afternoon mask while on the bus or at daycare.
- The second mask is to be placed in the ziplock bag which will be provided by the school tomorrow.
- Students are to place the ziplock bag in the pocket of their agenda or in their school bag, in case they do not have their agenda.
- Each day, parents are asked to retrieve the pediatric procedural mask from the ziplock bag in their child's agenda.
- Your child must wear the mask provided in their agenda the following day on the school bus or when they enter the school if they do not take the school bus in the morning, until the end of the morning period (morning entry until the conclusion of lunch)
- Please label with your child's name the ziplock bag found in your child's agenda. Please return it to school by placing it back in the pocket of your child's agenda.

### OTHER INFORMATION & REMINDERS

- Please instruct your child to only place clean masks in the ziplock bag provided by the school.
- If you wish to replace the ziplock bag at one point in time, please use the same size ziplock bag and make sure to label the ziplock bag with your child's name.
- Only the pediatric procedural masks provided by the Ministère can be worn in class, while moving about the school, at daycare and on the school bus.

Kind Regards,

S. Rebelo

Principal

Gerald McShane Elementary School
