Dear Parents,

Due to the current situation regarding Covid-19, the Orientation Evening will be held virtually this school year. Please note that the Orientation Evening will be held on different dates according to the schedule below.

The purpose of the Orientation Evening is to inform parents on class expectations, the curriculum and the evaluations that will be conducted over the course of the year. Please note that the Orientation Evening is meant to be a general information session. Considering the limited timeframe of the evening, teachers will not be discussing individual cases with parents. Should you need to discuss a particular issue, kindly make arrangements with your child's teacher to meet at a later time.

Please find below information on how to log on to the virtual Orientation Evening session.

Kind Regards,

S. Rebelo  
Principal
