Dear Parent/Guardian

Our Homework Assistance Program will begin Monday, October 28th, 2019. It was recommended that your child, _____ would benefit from the extra help after school with his /her homework. This program allows your child to be assisted with his /her homework and be able to get a little extra study time once written homework is done. There is no cost to this activity; we hope to see your child take part of this wonderful opportunity to get the little extra help he/she needs academically.

The days that are available to you are as follows:

Mondays 2:35-3:35
Tuesdays 2:35-3:35
Wednesdays 2:35-3:35
Thursdays 2:35-3:35

Please make the necessary arrangement to pick up your child, indicate below if he/she will be pick-up or Daycare.
